

Medical Checkup Improvement Plan

In 2017, the MCOs submitted Texas Health Steps (THSteps) checkup documentation improvement plans in response to an email request in 2016 (see email attached). HHSC asks that MCOs report the following training activity and curricula by COB **June 30, 2018**:

- a. 2017 dates of trainings conducted that contain curriculum covering content related to checkup component documentation; and
- b. Training curriculum covering content pertaining to checkup component documentation

Please direct reports to amani.khamis@hhsc.state.tx.us and copy your MCCO team.
